Amendment in Reply to Final Office Action mailed on August 24, 2006

IN THE SPECIFICATION

Please amend the specification as follows:

Replace the paragraph on page 2, between lines 20-25 of the specification with the following:

This object is achieved according to the present invention by providing a method according to the preamble wherein said erase radiation beam has a first erase power level for a first erase period, a second erase power level higher than or equal to said first erase power level for a second erase period, and a third erase power level lower than said second power level for a third erase period. The object is further achieved by providing a corresponding recording device ~~as claimed in claim 11.~~

Replace the paragraph on page 3, between lines 4-8 of the specification with the following:

~~Embodiments of the invention are defined in the dependent claims. Advantageous embodiments for the different power levels and the different erase periods used in the space write strategy are~~
